“

The ability to get comfortable with being uncomfortable is a powerful thing. This job unlocks the opportunity to push your limits and grow in a capacity that is not to be found anywhere else. Vantage Marketing is an amazing platform to break through barriers. When we break through barriers and do hard things that we haven't done, we receive things we haven't ever had.”

01. CULTURE

The summer-sales industry is notorious for making huge promises and failing to deliver. You won't find that here. We're always honest about the "goods" and "bads" of the job. Truth is, this job is not for everyone. It's hard work and you won't make a million dollars this summer. But you WILL work with great people who will help you reach challenging, but realistic goals.

02. PRIORITIES

We are positive you will make great money here, but we do NOT believe money is the most important thing in life. In fact, we believe three things always come before the mighty dollar — faith, family, and friends. This isn't a cheesy "catchphrase." It's simply the way we do business. At Vantage you will never be asked to do anything that places money ahead of what really matters.

03. MARKETS

Most companies offer just a handful of overly competitive sales markets. Vantage has more market options than anyone — as in 10 times more! From Washington to Florida, Hawaii to New York, we will put you in the best market to succeed! A good market makes all the difference in nailing a successful summer.

04. TRAINING

The Vantage Training Program (VTP) was developed by, and continues to produce, the top reps in the industry. Training tools include manuals, modules, videos, and on-the-door, one-on-one mentorship. Vantage will ensure you are more than ready to sell the first door you knock!

05. INCENTIVES

While bi-weekly paychecks are nice, we understand the power of great incentives. Throughout the summer you will have the opportunity to earn thousands in cash and prizes through motivating individual and team competitions. Vantage keeps a tough job fun and motivating!

06. COMPENSATION

We have the highest compensation plans in the industry. Your efforts will be rewarded through aggressive pay plans that have produced the top earners in the business. Simply put, you will make more money with Vantage — end of story!

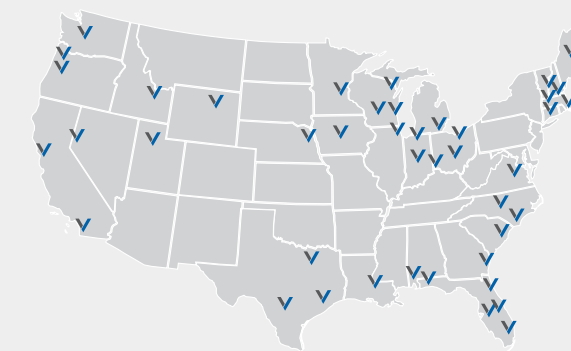

MONEY IS NICE. THESE ARE TOO.

It's hot out there. You may just forget how much money you're earning. That's when Vantage steps in. Below are just a few actual incentives.

THE RIGHT MARKET. EVERY SINGLE TIME.

Vantage has access to sell in more markets than any other competitor in the pest industry. This isn't a big deal. IT'S A GAME CHANGER.

Insight means quality-of-service and attention to detail. They consistently prove to be one of the most efficient, stable, and well-liked pest control companies in the US.

MOST MONEY IN PEST CONTROL. PERIOD.
